

ALTERING TRIADS WORKSHEET

In the staff below make a *roadmap* for the triad chords in the key of C major. Fill in the notes and label the name and number for each triad.

Add the 7th to each triad in the key of C major. Fill in the notes and label the name and number for each triad.

On the staves below, alter each triad from your roadmap of 7ths to intervals. Place the root in the bass and the 7th in the middle. Label the name and number for each.
